

THE VALUE OF A SMILE

It costs nothing, but saves much.

It enriches those who receive without impoverishing those who give.

It happens in a flash and the memory of it sometimes last forever.

None is so rich that he/she can get along without it, none so poor that he/she is not enriched by it.

It creates happiness in the home, fosters good will in business, and it is the countersign of friends.

It is rest to the weary and daylight to the discouraged,
sunshine to the sick and Nature's best antidote for trouble.

Yet it cannot be bought, borrowed, or stolen for it is
something that is of no earthly good to anyone until given away.

If you meet folks who are too burdened with grief or worry to smile,
just give them one of yours.

For nobody needs a smile so much as those who have none left to give.
