

## **Village of Warsaw Residents**

It's finally here! Email billing and online bill pay are now available. Simply call the office and provide us with your email address or email it via the contact form on the village website under the Contact Us tab at [www.villageofwarsaw.org](http://www.villageofwarsaw.org) . Once we have entered it into your account, you will receive an email to set up a username and password so you can view your account online. Your quarterly bills will be emailed to you on the same dates that you would normally receive a paper bill in the mail. The online bill pay option is to be used with full payment only but we can now accept partial credit/debit card payments if you come into the office. Please note, there is no cost for the email billing but there are fees associated with the Credit/Debit/E-Check payment options. If you have any questions, please call the village office at 585-786-2120.
