Telephone: (585) 786-2120

Fax: (585) 786-5860

Bulk Leaf Collection

The collection of bulk leaves will begin **Monday, November 7th, 2022**. Village crews will start on the West side of North Main Street and proceed throughout the Northwest quadrant of the village. Collection will then move to the Southwest, Southeast and Northeast quadrants respectively, and finally all streets West of Oak Street within the Village.

Bulk leaves should be piled neatly on the terraces (**not in the street**) and be free of limbs, grass and any other debris or waste.

STREETS WILL BE COLLECTED ONLY ONCE. After the initial bulk collection, all leaves must be placed in a paper biodegradable bag and placed at the curb-line for removal on your normal collection day.

Thank you for your cooperation!
